SUBJECT: Pre-Development Discussion of a Preliminary Plat

You are receiving this letter because you own property within the 350-foot notification boundary of a Pre-Development application to consider a preliminary plat for the development of professional offices. This property is currently zoned C-1, Local Commercial District, and a change of zoning will not be required.

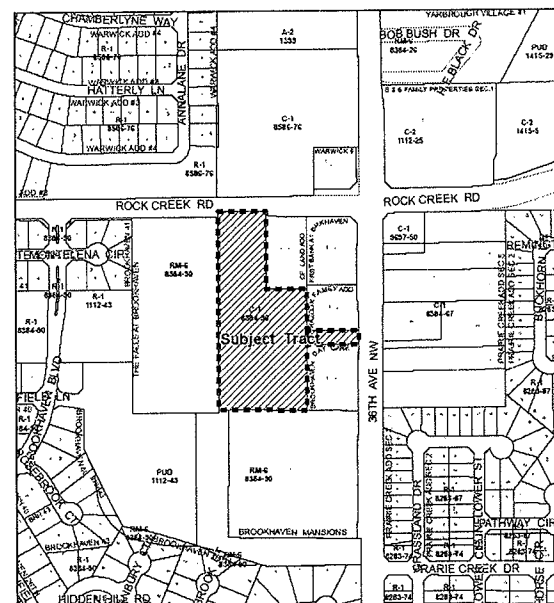

Please join us for a Pre-Development discussion of this proposal on Thursday, April 23, 2015 from 5:30 p.m. until 6:00 p.m. The meeting will be held in Conference Room D of Building A of the Norman Municipal Complex, 201 West Gray Street, located north and west of the downtown Post Office.

Pre-Development meetings are required for property owners seeking to undertake certain land use actions (any Special Use, rezoning of land over 40 acres in size, amendment of the NORMAN 2025 Land Use & Transportation Plan, subdivision of property, Rural Certificate of Survey greater than 40 acres, or construction of a cellular tower) that could have an impact on surrounding properties.

Pre-Development meetings allow applicants and neighboring property owners to meet informally to discuss proposals and air concerns before applicants have finalized plans and prior to formal submission to the City of Norman. Often Pre-Development meetings allow applicants and neighbors to resolve issues of concern prior to submittal of a formal application, which in turn saves time, money and hard feelings on all sides.

If you have questions about the proposal, please call the contact person, Tom McCaleb, (405) 232-7715 between 8 a.m. and 5 p.m. We look forward to your participation and thank you for taking an active role in your community.
